INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

February 16 through February 29, 2004

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **February 16 through February 29, 2004**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **March 01, 2004**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Project Description: The Metropolitan Transportation Commission (MTC) is the transportation planning, coordinating and financing agency for the nine-county San Francisco Bay Area (which includes Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, and Sonoma Counties).

The RTP for the Bay Area, last updated in December 2001 and subsequently amended in November 2002, includes regional transportation issues, goals and objectives, as well as projects, programs, and actions necessary to implement the plan. The RTP must be realistic and be within financial constraints. Any transportation project receiving Federal or State transportation funds must be included in the RTP. The Transportation 2030 Plan covers a 25-year planning and funding horizon.

Project Description: Numerous public outreach efforts led to the adoption of a report in 2002 called "Visioning Riverside" which set forth a vision of Riverside to be developed over the next two decades. To implement the many facets of this vision, the City of Riverside has initiated a major update to its General Plan. This program includes comprehensive updates to the General Plan, comprehensive revisions of the Zoning and Subdivision Codes, preparation of a Specific Plan for the Magnolia Avenue Corridor, and preparation of new Citywide Design Guideline. The project area consists of the corporate limits of the City of Riverside and properties within the City's sphere of influence considered the General Plan Planning Area.

Lead Agency: City of Santa Ana
City/County/Subregion: Santa Ana/Orange/Orange County
Contact: Dave Biondolillo - (714) 647-5603
Comment Due Date: 3/17/2004

Project Description: The proposed action would entail construction of a four-lane overcrossing connecting Alton Avenue on each side of SR-55, addition of high-occupancy-vehicle (HOV) direct-access drop ramps to and from SR-55 to Alton Avenue both north and south of the overcrossing, and widening Alton Avenue, including travel lane realignment with the city of Santa Ana. The purpose of the proposed action is to provide a roadway link across SR-55; support circulation between the cities of Santa Ana and Irvine; relieve traffic on MacArthur Boulevard and Dyer Road; accommodate traffic demand, planned development, and growth in the city of Irvine (Irvine Business Complex) and the city of Santa Ana (MacArthur Place); and improve HOV access as indicated by OCTA plans.

Project Description:

The proposed project includes the development of a park on a 40-acre portion of the former Southern Pacific railyard, referred to as Parcel D. The property is owned by the State. Approximately 20 acres would be operated by the State as a passive park, and the remaining 20 acres would be leased by the City of Los Angeles (City) for active park uses. The proposed project includes five main elements: active recreation; passive recreation; support facilities; parking and access; and streetscape improvements.

Taylor Yard is located in the City of Los Angeles, approximately three miles north of downtown Los Angeles.
